

Lev LaLev Fund

Girls Orphanage In Israel

What comes from your heart...
...enters theirs'

In the tradition of helping orphans and the downtrodden, we wish to declare our intention to establish a legacy gift to provide for the future of those who are under the care of Lev LaLev.

☐ We have already made a provision in our will for Lev LaLev

☐ We shall make a provision within the next months to name Lev LaLev in my/our will

How will I make the legacy donation?

☐ Bequest in a will

☐ Designation in a life insurance policy

☐ Gift of real estate security or other property

☐ Designation in a IRA or another retirement plan

The approximate value of my commitment is a \$ or % of my estate. (This is non-binding, but gives us important information that can be used for future planning purposes.)
